

## THE MAGIC LANTERN WITHIN

These three slides feature magic lanterns within the image. John Townsend's two mahogany-framed slides are advertising a Bridgman Triple Lantern and a mind-blowing variety of shows including *To Mont Blanc & Back* and *Round the World in Eighty Minutes* (left) and lanterns and slides sold by Salom & Co of 98 Princes Street, Edinburgh (right). Patrice Guérin (Diaprojection Collection) sent this hand-painted Lapierre long slide, No. 12, again

featuring a caged rabbit (see *TML* 21) and, in this one, also a dancing bear, as well as the magic lantern.
