

MAGIC LANTERN SOCIETY NOTICE BOARD

A FRAMED REPRODUCTION OF THE ABOVE PHOTOGRAPH BY PROCEEDINGS
AN EVENING AT THE CAMERA CLUB

WHAT'S GOING ON?

Alan Brindle has sent in this image. He says: "This is a copy of a framed print I bought eons ago. I have wondered ever since what they were doing with the lantern at the Camera Club?"

Let us know if you have any ideas.

THERE'S DEDICATION

Shortly after the AGM finished (see p.14), Dick Moore told us how he managed to see the meeting during a busy day in Connecticut, USA. He writes: "Sara and I were out early for some appointments, so caught the meeting on iPhone, iPad, listened to audio in the car and got home in time to catch the entire afternoon on the computer. No tea break!

"Loved all the presentations, and in particular those by Lester and the very interesting and informative presentation by Andy Cook."

CHEERS TO THE MAGIC LANTERN!

This is the bottle of red wine raffled at the AGM (see p.14) by George Auckland. The picture on the label (enlarged below) presumably shows one of the 'Les Frères Lumière' operating a magic lantern with slide carrier rather than anything connected with early cinema.

Available in the UK at a well-known wine warehouse
